

Come and See 2020

In your groups talk about each of the following questions which will help the planning group as it formulates the Come and See mission next year.

What kind of 'Big' event/s could we plan as a Deanery?

- that could attract a larger number of people.
- is an attractive location
- near your parish or accessible for the Deanery

What might its shape be - concert, open air, festival, fun day...

What sort of local events could your parish team organise which help build relationships in the community

- that you can invite people from your community to,
- that they would enjoy
- at which the bishop can speak?

What might its shape be - Dinner Party, Village Hall, Garden Party, Games or Quiz...

What 'follow-up' can you host in your parish/village which you can invite people who respond to, to explore faith?

- who would lead it?
- where could it meet?
- How often/ how long?
